Fisheries and Oceans Canada / Pêches et Océans Canada

Are your charts up to date ???

1. Check for the current edition www.charts.gc.ca
2. Free subscription to notmar.gc.ca
3. Notices to Shipping on www.marinfo.gc.ca

Are your charts up to date?

Striking a shoal or being disoriented by the change of a buoy is not a pleasant experience. Reduce the risk of having this kind of incident by updating your nautical charts.
